Dear Scott,

On behalf of the DC Small Business Development Center at Howard University's Center for Urban Progress, I would once again, like to express our sincere thanks and appreciation to you for your presentation on "Marketing to the Federal Government" held at the Frank Reeves Municipal Center on March 14, 2007.

Your approach was highly effective in many ways and the attendees were very impressed by the amount and quality of information communicated.

We look forward to a strong continuing relationship with the EZGSA.

Sincerely,

Saheed Akinkuolie Director
