**Re: Presentation by Mrs. Judith Nelson in a seminar on the GSA Schedule in
Tel –Aviv, Israel**

Dear Mr. Orbach,

I would like to thank Mrs. Judith Nelson and EZGSA for an excellent presentation during a seminar on the GSA Schedule Organized by the Embassy of Israel in Washington and the IEI (Israel Export Institute).

Over 70 Israeli companies participated in the seminar that took place in Tel Aviv, Israel, July 7th, hosted by the IEI.

The feedback received by the IEI is very good. Judith Nelson did an outstanding job of presenting the material to the audience as well as during one on one meetings with the companies..

Her knowledge of the GSA contracting process is very impressive She has the ability to transfer the information to a group of people who are not familiar with the matter at all.

We look forward to a long and successful relationship with your company and hope for more opportunities to work with EZGSA in the future.

I hope that the relationships that began with some companies will realized to a mature businesses and EZGSA will benefit from the event as well

Our main goal is to assist Israeli firm to be awarded a GSA Schedule.

Sincerely

Economic & Trade Officer
Embassy of Israel
Washington
