Dear Mr. Orbach:

I would like to thank you and your company for presenting the "Introduction to GSA", seminar on March 23rd at the HACC Business Startup Center, in Harrisburg, PA. I have received many positive comments from our clients about the seminar, and Judith Nelson did an outstanding job of presenting the material. Many of our clients and staff were very impressed with her knowledge of the GSA contracting process and her ability to explain it so we could all understand.

We look forward to a long and successful relationship with your company and would like to offer this class to our clients again next year. If our Center can assist you with anything, please feel free to contact me at rbrown@seda-cog.org or via telephone (570) 524-4491.

Sincerely,

Robert Brown
