Dear Evie,

We contacted EZGSA in order to assist in changing our corporate name in order not to lose our GSA Schedule. Ms. Fran Cowell was assigned to guide us through the process. Ms. Cowell was knowledgeable, professional, and personable. She accomplished each step necessary to reach our goal and explained the process as it proceeded. Additionally, she uploaded the company's catalog update in order to remain in compliance with GSA requirements. Our name change was relatively painless thanks to Ms. Cowell. We will continue to utilize the services of EZGSA as you staff's expertise is invaluable.

Sincerely,

**Carol McKinstry**
