Scott,

Your team has done it again. In March of this year I made a request to ezGSA to have new labor categories and rates added to our GSA IT-70 Schedule.

Magdalena Ilieva requested all pertinent information and worked directly with our Contracting Officer in getting our schedule updated in time for CTi to submit a proposal this year.

I want to you to know how appreciative I am of the outstanding team you have and especially Magdalena Ilieva, for working so hard with me to get this one done.

Best regards,
