To Whom It May Concern,

I write today to express my sincerest appreciation to Ms. Ronniece Percy, proposal specialist at EZGSA, for exceptional achievement while serving as both representative and point woman for my organization during our GSA schedule award process. Her devotion to duty is evident in that my total in processing and review with GSA was completed in thirty (30) calendar days. Her professional competence and outstanding accomplishments reflect great credit upon herself, the entire EZGSA organization and CEO Scott Orbach.

Our successes would have not been this great without her as a valued consultant on our team. I cannot recommend her highly enough to potential candidate firms.

Warm Regards,
