Dear Scott,

I want to thank EZGSA for helping DMIS obtain their GSA Schedule contract. It was a long process but we made it through with the assistance of Ronniece Percy. She was persistent in contacting the contracting officer throughout the process and conveying the information to me. Ronniece made the process much easier.

Once again, thank you to EZGSA and Ronniece Percy for helping us achieve this goal!

Sincerely,

Seema Dhoop
President
DMIS
