Mr. Orbach,

I wish to thank EZGSA and especially Magdalena Ilieva for helping us obtain our GSA contract which was effective 7/1/2013. Magdalena's patience with us, her expertise and professionalism were outstanding! She never hesitated to answer any and all questions we had and was very quick to respond to phone calls and emails. She also truly tried to understand our business so that she could properly present us to the GSA Contracting Officer, Maria Kubiak.

I am very happy that we chose EZGSA for your excellence in providing assistance in obtaining our GSA Contract.

Sincerely,

A handwritten signature in black ink that reads "Jennifer Lewis". The signature is fluid and cursive, with the first name being more prominent.
