Mr. Orbach,

I would like to take this opportunity to thank EZGSA and Magdalena Ilieva in particular, for all of your efforts in obtaining our Schedule 72 Furnishings and Floor Coverings contract.

As we all know, finding your way onto the GSA Schedule can be quite intimidating. Magdalena made this process as simple and straightforward as possible. I truly appreciated all of her patience and dedication to securing our award.

I would not hesitate in recommending EZGSA to anyone pursuing a GSA contract.

Sincerely,
