Scott,

Thank you very much for EZGSA's and particularly Ronniece Pearcy's assistance with achieving ScreenTek's long-term goal of the GSA schedule award. Your organization's expertise in handling the logistics and communications were greatly appreciated.

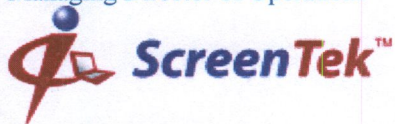

At all times I have found Ronni to be dependable, hard-working and as honest as she could have possibly been.

She is flexible and seemingly willing to work any time and any place. Ronni was always available to patiently offer reassurance and to explain the latest developments. She was certainly the backbone in our operation.

Thank you again and please do not hesitate to contact me should you have any further questions or concerns.
