Subject: Letter of Appreciation

Dear Mr. Scott A. Orbach

SecTek greatly appreciates the above and beyond efforts of the EZGSA Team and especially the support from Ms. Fran Cowell.

I would like to convey my thanks and deepest appreciation to Ms. Cowell. This recognition is to show appreciation for a job well done in assisting me with processing modifications and the renewal of SecTek, Inc. GSA Schedule Contract for an additional Five (5) years.

Ms. Cowell always performs above and beyond and I think she should be recognized for that.

Respectfully,

A handwritten signature in black ink that reads 'René Thomas'.
