Dear Scott:

I am writing to thank you and everyone at EZGSA for your assistance in obtaining a GSA schedule contract for T3 Technologies, Inc. We greatly appreciate your help and experience with walking us through the many requirements and administrative hoops.

In addition to a superb document, T3's GSA Contracting Officer was extremely impressed with the end result. For smaller companies like us, with limited resources and skills associated with GSA rules and regulations, I would highly recommend EZGSA to anyone who may have an interest in becoming apart of the largest customer in the United States.

Best Regards,
