Hi Magdalena,

I wanted to thank you for your work in assisting us in preparing and submitting our GSA contract application. We were awarded our contract last week and it was a *milestone* for our company that would have never been accomplished if not for your assistance. Your expertise and insight into the GSA contract process were the critical factors that led to our successful submission.

Thank you again.

Sincerely,

A handwritten signature in black ink, appearing to read "Carl Florez", with a long, sweeping horizontal line extending to the right.

Carl Florez
President CES LLC
