

FLYING HORSE

COMMUNICATION

December 17, 2008

TO WHOM IT MAY CONCERN;

Flying Horse Communication utilized the expertise of EZGSA in the preparation of its submission to the GSA, under the AIMS 541.

We were awarded our GSA contract #'s with an effective date of December 15, 2008.
Our internal representative at EZGSA was Gina Brown-Alston.

Gina Brown-Alston was assigned to us for this project. She acted in our behalf in the most professional manner possible during this long ordeal. Her knowledge and capacity to get the job done right the first time was awesome and reassuring to us.

She was responsive to all the demands of the GSA and Flying Horse.

We give her credit and much thanks for her fulfillment of this stewardship in a manner that EZGSA should be proud of.

We wish her the best in all her future endeavors and thank her again.

Sincerely,

Cory A. Wengreen
Director of government Service
