RE: Kiewit GSA Contract Award

Ms. Lewis:

I want to take the time to thank you for your assistance with our recent GSA contract proposal and subsequent award. Although Kiewit is a large company, I personally had little experience with the GSA MAS Program and was overwhelmed with the required submittal documentation. EZ GSA team members made a positive impression on me several years ago when we first inquired about the process and you and your team did not disappoint when we decided to move forward with our proposal submission in 2014.

First of all, thank you for your guidance, candor, and coaching throughout. Your insight on better and best strategies was greatly appreciated. Secondly, Magdalena was extremely comprehensive, leaving no stone unturned. I appreciated her diligence and tenacity – keeping the required activities moving. I believe that one of the factors in our expeditious award was due to the limited number of Q&A cycles because our proposal was well checked before submission.

I would personally recommend EZGSA to any firm looking to pursue a GSA MAS. Your professionalism and spot-on recommendations made the entire process much less painful than it might have been.

Many thanks and I hope our paths cross again.

Yours Truly,
