SUBJECT: Letter of Recognition

Dear Mr. Orbach,

As Spry's capabilities continues to expand, our GSA IT 70 Schedule needed to be modified to accommodate this expansion. We wish to express our gratitude and appreciation for the outstanding contribution and help provided by Ms. Fran Cowell during this process. Fran was our point of contact at EZGSA and supported us through our GSA Schedule modification, and subsequently, the successful renewal of our option period for another 5 years.

The modification and renewal came at a hectic time for our team as we were going through a long and demanding proposal period. Spry was fortunate to have had the support of Ms. Cowell during the process as she was responsive and extremely dedicated to the effort.

We sincerely appreciate EZGSA and Ms. Cowell's role in the successful modification and renewal of our IT 70 Schedule and trust that you will keep up the good work. It is our pleasure to continue doing business with EZGSA.

Sincerely,
