Dear Ms. Pearcy,

I would like to express my sincere thanks and gratitude for the excellent manner in which you facilitated the award of our GSA Schedule. It was a long and intimidating process, but you were always on top of things; knew all of the answers; and were a calming force for me.

Again, thanks for all your hard work. EZGSA is fortunate to have you on their staff. I'm sure I'll be in touch in a few months as we begin to make modifications to the new schedule.

Best Regards,
